# Medical expenses for eyeglasses of up to 500 lei/ insured/

## MORE HEALTH CARE SERVICES FOR THE ADOBE ROMANIA EMPLOYEES

Adobe Romania is permanently concerned with improving the life and working conditions of their employees in Romania. Thus, each Adobe Romania employee will receive as benefit a Healthcare insurance cover entered into with Groupama. This cover will provide the employees with consistent additional benefits, as follows:

- All employees will benefit of the same healthcare cover.
- Newly employees will benefit of their cover starting with the first day of the month immediately following the hiring date.
- The spouse/partner will benefit of the same healthcare Cover, paid by the employer.
- Childrens benefit from medical recovery available with reimbursement of costs
- The new Priority pack covers more than 300 lab tests, CT scans and MRI investigations, with unlimited access as per the list.
- The amount insured for hospitalization is of 15.000 LEI/ year/ policyholder (in Romania or abroad).
- New-borns of up to 10 days can also benefit of cover, but the amount insured is 10.500 LEI.
- Childbirth benefit of up to 7.000 LEI/ event, both within Regina Maria network and outside of it.
- Imaging services (MRI and CT) are available with or without contrast agent.
- Medical expenses for eyeglasses of up to 500 lei/ insured/ year

To get more details on the healthcare services made available by the Health Cover, as well as the manner in which you can have access to them, please read this guide carefully.

# THE SERVICES YOU BENEFIT FROM THE INSURANCE DEDICATED TO ADOBE ROMANIA EMPLOYEES

This healthcare cover covers outpatient and childbirth services for acute conditions, chronic diseases and prevention.

Outpatient	Inpatient	Dental care	Childbirth	Call Center* 021 9767
Outpatient services are covered as per the annex for lab tests, imagistics and pregnancy monitoring.	Hospitalization and surgery services are covered throughout Romania or abroad.	Dental care services provided with direct settlement through MG Dental.	Childbirth indemnity amounting to 7.000 LEI both within the Regina Maria network, through direct settlement, and outside the network, in a state-owned or private hospital.	For appointments, guidance to use of the healthcare services, medical emergencies or for any query regarding the Healthcare Cover.

## Artificial fertilization coverage

**Limit Eur 2.000/ year (assisted reproduction, IVF - 3 cycles/ insured, medicines and procedures) - by reimbursing the costs**

There are covered female persons who have been diagnosed with infertility and will follow the artificial fertility procedure at the doctor's recommendation. There are covered the costs for the medical services recommended within the artificial insemination program, conditioned by following the recommended method of development. Only one program/ year/ person is covered

## Coverage for adoption

**Eur 500, indemnity paid as support for taxes, tests or other associated costs**

It is granted only for couples in which at least one of the partners has a diagnosis of infertility. 1 event/ year/ person is covered. It is granted after the completion of the adoption process, after the conclusion of the legal procedure

In addition, this year you have an additional covers.

## Medical expenses for eyeglasses

The insurer will pay the expenses incurred by the insured during the validity period of this additional insurance, for the purchase of a pair of lenses for vision correction glasses and the cost of the glasses frame, for a single insured event in one year of insurance, at the first diagnosis of the eye condition that requires optical correction or when it is necessary to change the diopters, based on the valid medical recommendation of the ophthalmologist and the receipts/ invoices issued in the name of the Insured, up to the maximum limit of **the insured sum of 500 lei/ insured/ year**. The cost of labor and other related services or products are not covered.

\*For appointments and details, the Call Center service is available from Monday to Friday, between 8h00-20h00. From 20h00-8h00, namely on Saturdays and Sundays, the service is available only to transfer emergency calls. To make these calls, we made available to you the **Medical Hotline**, that you can reach by dialing **021/9942**.

## WHAT ARE THE BENEFITS OF THE HEALTHCARE COVER?

---

Worry-free when it comes to payments and losing precious time, and helpful when you need complex and available healthcare services

- **Integrated healthcare services** – you have access to the widest Private healthcare network, REGINA MARIA (offering national coverage), through direct settlement.
- **Possibility to make your choice among many** – you can choose to benefit of the outpatient services both within our private network, REGINA MARIA, as well as in any other clinic in Romania. As regards hospitalization, you can choose to go to any healthcare unit in Romania or outside of it.

# STEPS IN THE EVENT OF AN INSURED EVENT, IF YOU WANT TO BENEFIT OF YOUR HEALTHCARE COVER

## For healthcare services inside Regina Maria private healthcare network

- Call the Call Centre and make an appointment to see the physician, according to specific nature of your health issue.
- Show up with your identity card, at the clinic you have chosen, on the date and at the time the appointment was set to solve your healthcare issue.
- It is free of charge for you: Groupama Asigurari pays the costs afferent to the healthcare services included in the package, through direct settlement.

## For medical services outside the Regina Maria private healthcare network

- Call the Call Centre to get details and give notice of your intent to use the services.
- Go directly to the clinic chosen with your identity card, on the date and at the time set to solve your health issue.
- Get reimbursement of your expenses in connection with such visit by sending the documents.

For visits in the Emergency room, outside the Network, we will compensate 90% of the outpatient medical services including emergency room, but not more than 1.000 LEI per healthcare service, whichever is less. The timeframe to get that compensation from the moment all documents are submitted is 15 business days.

## Please Note!

You will get your money back after:

- Sending the notification to Marsh within 30 days.
- Scanning to [adobe@marsh.com](mailto:adobe@marsh.com) the following documents: copy of your identity card, invoice/receipt for the healthcare service you received, the compensation request form filled in, relevant medical documents (medical reports).

 +40 21 303 72 53

In the case of a life-threatening medical emergency (grade 1 and 2), you need to call 112, the national emergency service. In case of another medical emergency (3rd and 4th grade), you must call the Regina Maria Emergency Number: 021.9942. For more details please go through the Emergency Guide.

## HOW CAN A DEPENDENT\* BENEFIT OF YOUR HEALTHCARE COVER?

To extend your Healthcare cover to dependents, you must go through the following stages:

- Employees can add dependents or make other changes via My Adobe Benefits website.
- For newly employees, extending the cover to their dependents can be made during the first 30 days as of hiring. Only the cases of amendment of their civil status shall be accepted (marriage, divorce, childbirth, death).
- The cover must be maintained for minimum 12 months.

*\*Dependents can be children of up to 23 years old, under the care of their parents (do not make any income), are single and live under the same roof with the Adobe Romania employee and/or their spouse/partner, having the minimal age of 16 and the maximal age of 64.*

## IMPORTANT NOTICE!

You can get details on any of these steps by calling the call Centre at 021 9767.

# HOSPITALIZATION

Insured amount: 15.000 LEI maximum 25 hospital days/ contracted year.

In the case of hospitalization the insured amounts are: 400 LEI/ day of hospital for the first 7 days and 200 LEI/ day of hospitalization for the next up to 25 days/ contract year. Children included in insurance before the age of 30 will benefit from an insured sum of 7.000 LEI/ year.

Coverage for hospitalization due to COVID infection, for the 2 years of insurance, as follows: maximum 50 EUR/ day for maximum 30 days/ year, fixed indemnity to private or state

**EXCLUSIONS FROM COVER:** the cases expressly provided for under the Insurance Terms where the Insurer is exempted from the obligation to pay the insurance indemnity/ benefit, although the risk has already occurred.

## 1. GENERAL EXCLUSIONS

The Insurer does not have to pay the insurance indemnity to the Policyholder, if the risk insured occurred as a consequence of:

- a) directly or indirectly, totally or partially:
  - war, declared or not, war operations, invasion, civil war, revolution, rebellion, strike, insurrection, conspiracy, acts of terror or sabotage, violent elements such as coup d'état, martial law, state of emergency, the quarantine, the use of nuclear energy in times of peace or war, exceptional circumstances;
  - by atomic explosions, radiations resulted from nuclear fusion or fission, radioactive infesting, radioactive contamination resulting from radiations caused by the artificial acceleration of atomic particles, nuclear accident;
  - an ecological catastrophe;
  - the suicide, the Policyholder's attempted suicide or auto-mutilation and the consequences thereof, irrespective of the Policyholder's reason/ psychic condition;
  - the fact of committing or the attempt to commit, intentionally, by the Policyholder, of actions set forth and punished by criminal law, imprudence or serious negligence;
- b) the direct action of the Policyholder carried out when in a drunk condition or having a degree of alcohol superior to 0,8 mg in the blood or superior to 0,4 mg in the air expired;
- c) excessive consumption of medicines, drugs, alcohol, intentional inhalation of substances harmful to the body or the improper administration of substances used in therapeutics;
- d) the intentional provoking of the Policyholder by means of another person;
- e) the surgical operations or the treatments that are not provided for by this insurance, such as esthetical surgery save for those necessary due to a bodily damage covered by this agreement;
- f) artificial fecundation, voluntary interruption of pregnancy and the complications thereof;
- g) purchase fees or fees afferent to fixtures and repairing of the artificial prostheses for the various parts of the body or of corrective devices and devices auxiliary thereto, eyesight glasses or contact lenses, other than those covered under this agreement ;
- h) national epidemics or pandemics, confirmed by the competent authorities;
- i) AIDS, the complex associated with AIDS, sexually transmitted illnesses or if the Policyholder is found to be HIV positive, HIV or the consequences thereof, any disease, loss or expense incurred in connection with HIV and / or any HIV illness, including AIDS and/or all derived mutation or variations of what has been mentioned here above, caused in any way whatsoever;
- j) experimental medicine, alternative medicine, homeopathy, etc.;
- k) gender reassignment;
- l) the studies to determine the genetics chart or other genetics methods of diagnosis and treatment;
- m) the Policyholder's requests, not requested by its health condition: carrying out of a transplant, donation of organs, subsequent treatments afferent thereto;

- j) any rest or recovery cure in sanatoria, health or rest centres, convalescent homes or in other similar institutions, alcohol or drug rehabilitation treatment, geriatrics;
- k) the hospitalization, after the date of discharge from hospital recommended by the specialized physician or in addition to the number of days covered by this insurance;
- l) a series of risks caused or intentionally provoked by the Policyholder;
- m) any treatment for any mental or nervous illness, regardless of the classification thereof, any psychological condition, mental depression or mental disorder, rest treatment or recovery from the abuse of alcohol or drugs or of similar substances;
- n) the Insured party's use of medicines or treatment that were not prescribed by an acknowledged medical authority;
- o) any infection occurred during the hospitalization, as a result of the failure to observe the medical standards;
- p) any treatment in a long-term care establishment (old people's home, convalescent houses, rehabilitation centres, health centers etc.), external consultation centres or rehabilitation centres;
- u) gas intoxication or inhalation of poisoned gas;
- v) malpraxis;
- w) any other medical service which is not included in the «List of healthcare services » or in the cover Limit.

**The Insurer does not have to pay the insurance indemnification if, on the date of occurrence of the risk insured, the Policyholder:**

- a) is enrolled in military service or in mission;
- b) practices a series of sports or activities deemed to be dangerous such as: alpinism, races with terrestrial vehicles, aquatic or aerial, jumping, skydiving, acrobatics, stunts (the enumeration is illustrative and not exhaustive), if such was not accepted by the Insurer as a consequence of the risk assessment;
- c) flies, as a passenger, pilot of an air craft or member of the crew, other than that belonging to an authorized passenger air carrier which carried out flights on regular routes and at displayed schedules.

**The Insurer does not have to pay the insurance indemnity in any of the cases here under:**

- a) whatever the medical situation of the Policyholder may be, other insurance services that those explicitly detailed in the « List of covers » and « the List of healthcare services»;
- b) the Insurer shall not pay for any medical service if that medical service was not approved and/ or acknowledged by the Insurer;
- c) for medical services necessary for health care / correction deleterious consequences of a medical service performed improperly, conducted otherwise than in accordance with medical standards;
- d) for expenses carried out by the Policyholder for healthcare services/ treatments carried out by a person which does not hold the capacity as physician or which is not treated within a medical unit, within the meaning accepted by the definitions of this agreement;
- e) for the medicines needed by the Policyholder thereof for treatment;
- f) a medical service carried out outside the borders of Romania, save for hospitalization, surgical interventions outside the Network covered by this agreement.

## **2. INSURANCE CONDITIONS INPATIENT SERVICES – HOSPITALISATION AND SURGERIES**

For this additional cover the exclusions specified in the general insurance Conditions shall apply, as well as the following specific exclusions, if the risk insured is caused directly or indirectly, totally or partly by:

- a) poisoning or oral intoxication with solid or liquid substances;
- b) dental conditions, if such are not the direct consequence of an accident;

- c) the plastic reparatory surgery, unless such was expressly recommended by a specialist physician in order to remedy the consequences of an accident occurred during the validity period of this additional cover;
- d) esthetic surgery, implantology;
- e) infertility, sterility, artificial fecundation;
- f) interruption of pregnancy, unless such was expressly recommended by a physician based on medical necessity existence;
- g) routine medical check-ups, exploration and investigation researches; treatment by acupuncture, bioenergy or non- conventional methods;
- h) healthcare assistance granted by homeopaths, the naturist medicine, alternative medicine; the recovery treatment and physiotherapy (e.g. massage, hydro-massage, kinesiotherapy, the balneal-climatic treatments etc.)
- i) medical services necessary for health care / correction deleterious consequences of a medical service performed improperly, conducted otherwise than in accordance with medical standards;
- j) sexually transmitted diseases;
- k) national epidemics or pandemics, confirmed by the competent authorities;
- l) birth;
- m) the Policyholder's attempted suicide or self-mutilation, regardless of its psychological condition;
- n) the maneuvers that do not imply the use of invasive technology, the extraction of foreign, superficial bodies from the skin level, from the conjunctiva level, the cornea level, intranasal foreign bodies etc. if they are not made at an inpatient event, except for services covered by Appendix 6;
- o) the superficial disorders of the cutaneous and subcutaneous tissue (incisions, excisions, suture), if they are not made at an inpatient event, except for services covered by Appendix 6;
- p) any invasive investigation, including the diagnosis and pre-operative techniques, except for services covered by Appendix 6.
- q) Hospitalization and surgery for children born prematurely, hospitalization continuous after birth.

### **3. INSURANCE CONDITIONS ADDITIONAL BIRTH COVER**

For this additional coverage the exclusions specified in the General insurance Conditions shall apply, as well as the following specific exclusions:

- a) infertility, sterility, artificial fecundation;
- b) interruption of pregnancy, if it was not recommended by a physician;
- c) birth that did not take place in the hospital.

(1) Protocolul de sarcina include doar ecografiile morfologice de mai sus pentru sarcina unica.

Pentru sarcinile multiple, la ecografiile incluse in protocol se aplica urmatoarele discounturi:

sarcina gemelara: 50%

sarcina multipla cu 3 sau multi feti: 30%

Calculul de risc (dublu sau triplu test): nu este inclus (pacienta achita integral)

Dublu test efectuat prin metoda FMF sau FMF 2013: nu este inclus (pacienta achita integral analizele de laborator, ecografia si calculul de risc)

Serviciile medicale ce nu sunt mentionate in acest protocol si care sunt efectuate pentru urmarirea sarcinii nu sunt incluse (pacienta achita integral)

Ecografiile de control sunt incluse nelimitat daca pacienta are un diagnostic de sarcina cu risc;

**NOTA: recomandam pacientelor sa discute cu medicul curant despre investigatiile necesare pe parcursul sarcinii si perioadele recomandate pentru efectuarea acestora, astfel incat pentru serviciile medicale ce trebuie efectuate la o anumita varsta a sarcinii, programarea sa fie facuta din timp**

## ANEXA SERVICII MEDICALE COPII

SERVICII MEDICALE DE BAZA		PRIORITY Junior
Pediatrie		
-consultatie/control pediatrie		Inclus
-vaccinari pediatrie obligatorii conform schemei de vaccinare avizata de Ministerul Sanatatii din Romania,daca nou-nascutul este inscris la un medic de familie din cadrul Retelei Private de Sanatate. (Conform anexa vaccinuri)		Inclus (daca nu se comanda prin medic de familie RM - 50% coplata)
-eliberare avize necesare gradinita,scoala		Inclus
SCREENING (conform ghidurilor medicale internationale)		
1. Anamneza si istoricul medical al fiecarui abonat		Inclus
2. Set anual de analize :		
Exudat faringian/ nazal		inclus (2/an)
Examen coproparazitologic		inclus (2/an)
Coprocultura		inclus (2/an)
Sumar urina		inclus (2/an)
Urocultura		inclus(o data/an)
Uree		inclus(o data/an)
ASLO		inclus(o data/an)
Glicemie		inclus(o data/an)
Colesterol total		inclus(o data/an)
LDL colesterol		inclus(o data/an)
Hemoleucograma		inclus(o data/an)
VSH/ PCR		inclus(o data/an)
Transaminaze (TGO, TGP)		inclus(o data/an)
Creatinina serica		inclus(o data/an)
3. Recomandari in functie de rezultatele obtinute la screening si analize (consultatia)		Inclus
MEDICINA DE URGENTA		
Hotline Medical - 24/7		Inclus
Ambulanta 24h/7 - la domiciliu (prin hot-line medical) ( serviciu disponibil in Bucuresti si Ilfov)		Inclus
Sfatul medicului - 24/7 - disponibil prin prin Hotline Medical		Inclus
Camera de garda copii: Spitalul Ponderas Academic Hospital (*)		
Luni - duminica, 8.00 - 20.00		Inclus
Luni - duminica, 20.00 - 08.00		Inclus
Camera de garda obstetrica-ginecologie: Spitalul Baneasa (*)		
Luni - duminica, 8.00 - 20.00		Inclus
Luni - duminica, 20.00 - 08.00		Inclus
Camera de garda pediatrie: Spitalul Brasov (*)		
Luni - duminica, 8.00 - 20.00		Inclus
Luni - duminica, 20.00 - 08.00		Inclus
Camera de garda pediatrie: Spitalul Cluj (*)		
Luni - duminica, 8.00 - 20.00		Inclus
Luni - duminica, 20.00 - 08.00		Inclus
SPECIALITATI MEDICALE		
Obstetrica - ginecologie		
- consultatie		Inclus
- control		Inclus
- ecografie pelvis		conform anexa
Oftalmologie		
- consultatie		Inclus
