*[MSA] has been a life saver. When we started the coach sessions, I was in incredible distress due to our financial situation. [Our Money Coach] went through all our numbers, the nitty gritty details, and laid out a step-by-step plan to set our finances back on track. [...] I learned more about finances in a few sessions than I [have] learned all my life! I only wished I had found [MSA] before.*

## Here's the inside scoop on what we can do for you.

### What is MSA (My Secure Advantage)?

MSA is your financial wellness program provided by your employer. You have your own personal, confidential and non-judgmental Money Coach as one of your employer-funded benefits.

### What will the program do for me?

Whether you're new to managing your money or you've got a handle on your finances, see if you're on the right track with the education and accountability of a Money Coach. Our purpose is to help you overcome financial challenges and accomplish financial goals. Work towards building a stronger financial future and decreasing financial stress.

### What is a Money Coach?

A Money Coach assists and guides with the end goal of teaching you new habits in order to resolve your financial challenges and achieve your goals. They are salaried employees that provide financial education, yet they do not receive transaction-based compensation. Their sole focus is helping people improve their financial lives through one-on-one, unbiased coaching relationships.

### When is my Money Coach available to talk and how long are consultations?

Your coach is available Monday through Friday from 6:00am - 8:00pm PT. Consultations are typically thirty minutes in length. Time between consultations varies by individual. On average you will meet with your coach every seven to fourteen days.*

### What topics can my Money Coach help me with?

- Debt & Credit
- Spending & Saving
- Student Loans
- Taxes
- Getting Married
- Large Purchases
- Home Buying
- Estate Planning
- Retirement Savings
- Investing Education
- Planning for College
- Maternity Leave
- Divorce
- Loss of a Loved One
- Caring for Parents
- And More!

### Can my spouse/partner join me during consultations?

Of course – and we highly recommend it! Not in the same location? No problem. Your coach can teleconference your spouse/partner into the call.

### Is my information kept confidential?

Yes, we do not sell or share your information with third parties.

### What experience does a Money Coach have?

Our staff has an average of more than twenty years of relevant professional experience and multiple certifications from the financial services industry. Certifications include but are not limited to:

- CPA (Certified Public Accountant)
- The CFP® certification, held by Certified Financial Planner™ professionals.[1]
- Enrolled Agent
- AFC® (Accredited Financial Counselor®)
- CDFA™ (Certified Divorce Financial Analyst®)
- CRPC™ (Chartered Retirement Planning Counselor™)[2]
