A foreword about COBRA and Medicare

The date on which you or your dependents become entitled to Medicare can affect the length of your COBRA coverage so plan accordingly. Please note that eligibility for Medicare is not the same as becoming entitled to Medicare. A person becomes “entitled to Medicare” on the effective date of his or her **enrollment** in Medicare. (This is not always the date on which you become eligible for Medicare or the date on which you apply for Medicare.)

Covered employees and qualified beneficiaries who become entitled to Medicare before completing the Adobe COBRA enrollment may continue to be covered under the Adobe plan through COBRA, however, the Adobe coverage under COBRA coordinates with Medicare **and Medicare becomes the primary payer** with the Adobe plan paying on a secondary basis.

If you or your qualified beneficiary becomes entitled to Medicare after you complete the Adobe COBRA enrollment, COBRA coverage will end on the effective date of enrollment in Medicare. Learn more about Medicare by reviewing the CMS booklet titled [Medicare and You](#) or visiting their website <http://www.medicare.gov/>. **You may contact CareCounsel healthcare advocates at 833-605-6941 to get help with your Medicare questions.**

A foreword about COBRA and Taxes for Highly Compensated Individuals

If Adobe determines in its sole discretion that you are a highly compensated individual under Internal Revenue Code Section 105(h), Adobe Paid COBRA will be provided solely if permitted without penalty

under applicable law and in a form determined by Adobe that is not discriminatory under Internal Revenue Code Section 105(h). If you are deemed to be a highly compensated individual, then Adobe may be required to treat payments under the applicable plan including, but not limited to, the Adobe Special Termination Plan for U.S.-Based Employees effective November 1, 2013, and Amended and Restated August 30, 2014, for the continuation coverage that you and your dependents receive as a taxable benefit, and report the value of the coverage as income to you.

Health Care Benefits: Medical (including prescription drug), Dental, Vision, Cancer Support, Expert Second Opinion and Employee Assistance Plan (EAP)

Your current coverage for these programs will end on the last day of the month in which your **End Date** occurs.

You and any eligible/enrolled dependents, if currently enrolled, will be eligible to elect continuation of health care benefits beyond the end of the month through COBRA (Consolidated Omnibus Budget Reconciliation Act of 1986). If you are Medicare-eligible or a highly compensated employee, see important information above (page 1).

You will receive a COBRA Qualifying Event Notice from bswift within 14 business days after your coverage terminates.

Important: To continue your health care coverage through COBRA, you must take action and complete your election within 60 days. If you do not submit your election before the deadline, you will lose your right to elect COBRA continuation coverage.

You may enroll online at adobe.bswift.com, or by phone with the bswift Benefits Support Team at 855-898-4218. You must make your first payment for continuation coverage no later than 45 days after the date of your election. After receipt of your payment, **coverage will be reinstated retroactively** to the first day you are COBRA eligible.

You may drop coverage that you no longer need or want to participate in; and you may also continue or discontinue coverage for the dependents who were enrolled on your End Date. However, once coverage for a current participant is dropped you cannot make changes until the next Open Enrollment period, or until you have a qualifying event. You will have 31 days from the qualifying event to notify bswift of any changes. Adobe's COBRA Open Enrollment is usually held in November with changes made effective on January 1 of the following year.

COBRA Continuation

Employee Paid COBRA

You will receive enrollment instructions from bswift, mailed to your home address, within 14 days after your coverage ends. The notice will include instructions for completing your enrollment and for making payments online. You have 60 days from the date your benefits end, or the date of the notification letter from bswift (whichever is later), to elect coverage. You will then have 45 days from your election date to submit payment. The initial payment must include the premiums for coverage from the date active group coverage ended through the end of the month in which the 45-day period ends.

COBRA Continuation Coverage is not reinstated until the initial premium payment has been received in full by bswift. If the initial payment is not made before the deadline, you will lose your right to have coverage reinstated and you will no longer be eligible for COBRA. Please remit payments as directed in a timely manner. During the continuation coverage period, you are responsible for making payments by the due date. Although bswift may send you a monthly bill as a courtesy, bswift does not send reminder notices; if payment is not received by the due date, coverage is automatically terminated.

If you elect to continue your benefits through COBRA or if you have any questions, please contact

bswift:

Adobe Paid COBRA

If you have been offered Adobe-paid COBRA as part of a severance package, it is your responsibility to actively enroll in your Adobe-paid COBRA benefits.

You will receive enrollment instructions in the mail at your home address within 14 days after your coverage ends. To enroll in your Adobe-paid COBRA benefits, you must enroll online at adobe.bswift.com within 60 days. Adobe-paid COBRA will provide coverage continuation for your **current** medical, dental, vision, Best Doctors, Access Hope and EAP plan elections as of your **End Date**. If you are enrolled in the Health Care Flexible Spending Account and wish to continue this election during your COBRA continuation period, participation is at your own expense.

If you choose to continue coverage beyond the Adobe-paid period, your initial payment is due on the first day of the month for which coverage is provided (with a 30-day payment grace period unless otherwise specified in your enrollment package). You are responsible for remitting your payments by the due date or COBRA coverage will be terminated.

You may make payments electronically online, or by mail. All mailed payments should be made payable to:

bswift – Adobe
PO Box 860620
Minneapolis, MN 55486-0620

Once Adobe receives your properly signed, effective Release of All Claims (“ROAC”), Adobe will notify bswift of the specified number of month(s) that you are eligible for Adobe-paid COBRA. If you elect not to receive the severance package, you are still eligible to elect COBRA and you will be responsible for paying the premiums on your own. You must take action and complete your enrollment online to receive the Adobe-paid COBRA as you will not be enrolled automatically.

Please note that cessation of Adobe-paid COBRA is not a qualifying life event under another employer sponsored group health plan. You may need to pay the full COBRA premium to continue your Adobe COBRA coverage until the effective date of coverage under another employer-sponsored group health plan, a privately purchased policy, or coverage purchased on a public insurance marketplace. Your ability to enroll in another group health plan may be delayed until you obtain new employment with an offer of health coverage, an open enrollment window under another plan you are eligible for or you experience a qualifying life event.

The federally run health insurance marketplace would recognize the end of the Adobe paid COBRA as a trigger for a Special Enrollment Period (SEP). However, states that do not use the federal health insurance marketplace may not recognize the end of the Adobe COBRA subsidy as a qualifying event or trigger for a Special Enrollment Period. You may have to wait until the next Open Enrollment window under the state-run health insurance marketplace to enroll in coverage. You should verify the effective date of your coverage before discontinuing COBRA coverage. The states that do not use the federal marketplace are currently: California, Colorado, Connecticut, D.C, Idaho, Maryland, Massachusetts, Minnesota, New York, Rhode Island, Vermont and Washington. See <https://www.healthcare.gov/unemployed/cobra-coverage/>

Flexible Spending Accounts (FSAs)

If currently enrolled, your coverage will end on your **End Date**. See additional details below. You may submit eligible claims for the 2021 plan year to TRI-AD from either the Dependent Care FSA or Health Care FSA accounts until May 31, 2022, for eligible claims as outlined below. If you don't claim your entire balance by May 31, 2022, you will lose it.

- **Dependent Care FSA**

Once you leave Adobe, your payroll contributions and any company contributions to your pre-tax reimbursement account will stop. You can still file claims with **TRI-AD** for reimbursement of any eligible dependent care expenses incurred during the same calendar year, up to the balance of your Dependent Care FSA at your **End Date**. You cannot continue participation in the Dependent Care FSA under COBRA.

- **Health Care FSA**

You are eligible for reimbursement of any eligible health care expenses incurred through your **End Date**, up to the amount you have elected to contribute for the year into your Health Care FSA, less prior reimbursements. File your eligible claims with **TRI-AD** for reimbursement.

You have the option to continue participation in the Health Care FSA on an after-tax basis through COBRA. COBRA Health Care FSA contributions are included in your overall COBRA premium, are based on your Health Care FSA elections for the year, and include a 2% fee to cover the administrative expenses incurred in providing the continued plan. If you make contributions in a timely manner, you may then claim eligible expenses through the COBRA plan for the remainder of the plan year in which your End Date occurred, or until you stop making contributions through your COBRA premium, whichever is sooner. This is the only way you can continue to receive reimbursement from your account for expenses incurred during the plan year, but after your employment **End Date**.

Your Health Care Debit Card will be cancelled upon your **End Date** and all future claims submission can be done through the TRI-AD website or using claim forms you can obtain from TRI-AD. Visit www.tri-ad.com/fsa to check your current account balance and contact TRI-AD with any claim questions.

Health Savings Account (HSA)

If you have an HSA account with HealthEquity, the account and money in it is yours to take wherever you go and to use for eligible out of pocket health care expenses. Your HSA will no longer be employer-sponsored but you may keep the account with HealthEquity if you wish to. You'll need to pay the monthly account fees. HealthEquity waives the account fee if your balance is over \$2,500. **Be sure to review the contact information associated with your account and contact HealthEquity if you need to update it.**

Also note per IRS, HSA contributions generally may be made for months in which an individual is HSA-eligible, and the individual's annual HSA contributions may not exceed the sum of the "monthly limitations" (the annual contribution limit divided by 12) for all months in the calendar year in which the individual actually is HSA-eligible. Thus, if you terminate HDHP coverage mid-year, review the contributions made to your HSA for the year to ensure you did not contribute more than your prorated IRS limit.

Contact HealthEquity for the current fee schedule and any other questions about your HSA account.

The VDI plan pays an assessment to CA SDI to provide this coverage.

Coverage ends on your **End Date**. Conversion of LTD is available for employees who have been enrolled in the plan for at least one year and are actively at work at the time of termination. You will receive a conversion packet from Lincoln Financial Group approximately 15 business days after your **End Date**. Savings Programs

Adobe 401(k) Retirement Savings Plan

If you are a participant in Adobe's 401(k) Retirement Savings Plan, you are eligible to receive your vested account balance upon retirement or termination of employment. You have the option to roll your account balance over to another employer's eligible plan or to an IRA. Additionally, you may choose to receive your account balance as a lump sum cash payment. A lump sum cash payment may result in taxation and possible penalties for early withdrawal may apply. If your vested account balance is greater than \$1,000 you may choose to leave your assets in the Adobe 401(k) Plan until you reach age 65. If you do not take a distribution of your account balance, an administration fee of \$5.75 will be assessed and deducted from your account on a quarterly basis.

You will soon receive a personalized termination kit from Vanguard with more details regarding your options. For answers to your questions, to access your account or to request a distribution log on to www.vanguard.com or you may call Vanguard at 1-800-523-1188.

Outstanding 401(k) Loans: If you have an outstanding Adobe 401(k) Plan loan, your unpaid loan balance will default unless it is repaid in full by the end of the calendar quarter following the calendar quarter in which your End Date occurs. This means your remaining unpaid loan balance will be treated as an early distribution and you may owe taxes and incur penalties. Contact Vanguard at 1-800-523-1188 for your final loan payoff balance and payoff instructions.

If you have assets in an Adobe acquired company 401(k) plan, you can initiate a rollover or account distribution by contacting the acquired company plan recordkeeper (ie., Fidelity, Schwab, Empower, etc.).
