I Home Care Plus

Why You Should Consider Coverage

When faced with a long term care event, don't we all want to receive care from the comfort of our own home?

As a newly eligible* Adobe employee, you have exclusive <u>one-time access</u> to the Home Care Plus[™] plan at a <u>discount</u>, underwritten by Transamerica Life Insurance Company, with a shortened health questionnaire.

This coverage helps protect your family savings from the high costs of home care services.

Who will do your shopping or daily chores if you are unable to?

You have the choice to receive funds to cover in-home care services such as, cooking and cleaning or if adult day care or a nursing home stay is necessary, it will pay for that also. Avoid burdening family members and maintain control of your care.

To stay in your home and receive care, you need two things - access to quality help, and the funds to pay for it. **Home Care Plus[™] accomplishes both!**

Advantages

"The average cost for long term care in the United States is \$75,000 per year."*

Home Care Plus[™] plans are affordable and provide funds for long term care services in many settings, including:

- In-Home The flexibility of Home Care Plus[™] keeps you at home and pays for services to help you with: cooking, cleaning, laundry, grooming and assistance with other activities of daily living.
- Nursing Home or Assisted Living Facility Some situations require more intensive attention on a daily basis, while staying in a home-like setting.

Plus

No waiting with a **zero-day** elimination period. Receive coverage on <u>day-one</u>, if you meet claim eligibility at home, 90-day elimination period for facility care.

Special premium **discount** available for for employees and family members and a **shortened health questionnaire** available to newly eligible employees.
