Pre-authorization is a process that needs to be completed prior to hospitalization. The forms for the same will be available with the Hospital TPA/Insurance Desk and on the MEDI ASSIST portal. The form needs to be filled with the help of the treating doctor. This form contains details like treating physician and hospital\*, details of diagnosis\*, treatment

proposed\*, past history, estimate expenses\*, signature of the treating physician\*, etc. MEDI ASSIST medical team will then evaluate the same based on medical and policy grounds. \* If complete details are not made available in the form, then the ability to extend credit (in the case of a network hospital) or claim eligibility (in the case of an out-of-network hospital) will be affected.

**146. What is a Letter of Credit?**

On approval of pre-authorization, "a Letter of Credit" will be sent to the hospital (only if it is on MEDI ASSIST network). The letter authorizes the hospital to extend credit for all medical expenses during hospitalization. Therefore, to use the cashless hospitalization service it is very important for you to follow the pre-authorization process.
