The screenshot shows a pharmacy website interface. At the top, there's a blue banner with the text "Get Huge Savings on Medicines" and four icons representing benefits: "100 % Genuine Medicines", "Trusted Pharmacies", "Delivery to your doorstep", and "Store Pick up". Below this is a search bar with "Bengaluru 560001" in the location dropdown and "Search Medicines" in the search field. The main content area is divided into two columns. The left column is titled "UPTO 15% OFF on Home Delivery" and "Get medicines delivered to your door step", with sub-points "Safe & Reliable" and "On Time Delivery". The right column is titled "UPTO 10% OFF on Store Pickup" and "Pickup orders from stores near you", with sub-points "Trusted Pharmacies" and "Fastest Option". Below these are two boxes for ordering. The left box is titled "Order Medicines through Prescription" and contains the text "Upload Prescription to place order" and "Upload only .jpg, .png or .pdf files, size limit is 15 MB". It features a red-bordered button labeled "Order via Prescription" with a right-pointing arrow. The right box is titled "Don't have a Prescription?" and contains the text "Consult Top Doctors Online and order medicines through valid prescriptions". It features a red-bordered button labeled "Start Consultation" with a right-pointing arrow. Red arrows point from these buttons down to the bullet points below.

- Upload your scanned RX or Prescription

- Refer to the Teleconsultation guide
