PRODUCT INFORMATION

The primary purpose of this insurance cover is to ensure that if an insured member sustains injuries due to an accident and as a result is disabled permanently, or suffers the loss of certain limbs, he is duly compensated for his plight. This compensation will certainly come in very useful if he is no longer able to continue working. In addition, if the injury results in death, the deceased employee’s next of kin will receive a lump sum payment that should help alleviate some financial burdens.

SCOPE OF COVERAGE

It provides coverage against all accidental causes of the results specified below, on 24-hour worldwide basis. This means that even if an employee is overseas for business or vacation, the plan will still be effective. The benefit of this plan will only be payable upon an accident occurring.

The following Schedule of Indemnities would show the benefits payable.
