Welcome to Aetna WorldTraveler

Aetna WorldTraveler is an international business travel plan that provides you with emergency and urgent medical benefits and assistance during your business trip. It also offers something just as important — peace of mind. Our tools and resources will help you prepare for your trip and obtain important health-related information during your travels. Best of all, these resources are available whenever and wherever you need them.

Quick tips for using your plan

- Show your WorldTraveler ID card every time you access emergency and urgent care internationally. On most occasions, it will prevent you from having to pay full medical costs up front.
- When submitting a WorldTraveler claim, be sure to send an itemized bill with your claim form to help expedite reimbursement.
