Please remember that this is not a complete list of medications covered under your plan. Because there are thousands of medications included in your pharmacy benefit, we only list the most common ones. Certain drugs such as those for smoking cessation or vitamins may not be covered by your particular pharmacy plan. Diabetic supplies may be covered under your medical plan. If you have any questions about your pharmacy benefits, please visit [aetna.com](https://www.aetna.com) and log in to your secure member website. If you don't have access to our website, call the toll-free number on your member ID card.

To check coverage and copay information for a specific medicine, visit [aetna.com](https://www.aetna.com) and log in to your secure member website. For more details, please call the toll-free number on your member ID card.

This is not an inclusive list. Products that are not represented on this list may be subject to plan-specific copayment or coinsurance. Void where prohibited by law. Void in the State of Connecticut.

Specific prescription benefits plan design may not cover certain categories or may be subject to additional charges or restrictions, regardless of their appearance in this document.

Aetna may receive rebates, discounts and service fees from pharmaceutical manufacturers for certain listed products. Your privacy is important to us. Our employees are trained regarding the appropriate way to handle your private health information.
