

## Adobe 401(k) Retirement Savings Plan

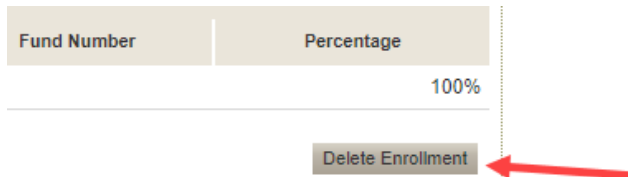

### Steps for deleting your pending Automatic Enrollment

- Step 1** - Log in by visiting ownyourfuture.vanguard.com and selecting **Not registered for online access? Let's go**
- Step 2** - Follow the steps to register by verifying your identity, creating a username and password, and setting up your security features.
- Step 3** - If **"Congratulations on joining your new plan!"** is presented, you may delete your pending automatic enrollment by first selecting "See my enrollment details"

- Step 4** - To **DELETE** your pending automatic enrollment, click "Delete Enrollment" at the bottom of the page

*Note:*

After deleting your pending automatic enrollment, the option to enroll is available at any time from the home page – just click on **“Enroll in your qualified plan”** and follow the prompts to select your paycheck deduction, automatic increase, and investment allocation.
