Schedule of benefits

This schedule of benefits lists the **deductibles** and **copayments/payment percentage**, if any, that apply to the services you receive under this plan. You should review this schedule to become familiar with your **deductibles** and **copayments/payment percentage** and any limits that apply to the services.

How to read your schedule of benefits

- When we say:
 - “In-network coverage”, we mean you get care from a **network provider**.
 - “Out-of-network coverage”, we mean you can get care from **providers** who are not **network providers**.
- The **deductibles** and **copayments/payment percentage** listed in the schedule of benefits below reflect the **deductibles** and **copayment/payment percentage** amounts under your plan.
- Any **payment percentage** listed in the schedule of benefits reflects the plan **payment percentage**. This is the amount the Plan pays. You are responsible to pay any **deductibles, copayments**, and the remaining **payment percentage**.
- You are responsible for full payment of any health care services you receive that are not a **covered benefit**.
- This plan has maximums for specific **covered benefits**. For example, these could be visit, day or dollar maximums. They are combined maximums between **network providers** and **out-of-network providers** unless we state otherwise.
- At the end of this schedule you will find detailed explanations about your:
 - **Deductible**
 - **Maximum out-of-pocket limits**
 - Maximums

Important note:

All **covered benefits** are subject to the Calendar Year **deductible** and **copayment/payment percentage** unless otherwise noted in the schedule of benefits below.
