Education benefits

Whether you're financing your own education or saving for your child's future, Adobe programs can help you do it all. From navigating the admissions maze, to saving money for college and reimbursing your own education experiences—Adobe has you covered.

On this page, you will find information about:

For you

- [Learning Fund: education reimbursement](#)
- [Learning Fund: professional development reimbursement](#)

For your dependents

- [College Coach](#)
- [529 Education Savings Plan](#)

Learning Fund: education reimbursement

To support you in your pursuit of continuing education, Adobe's [Learning Fund](#) [1] will reimburse you up to \$10,000 per year for tuition and books for courses, graduate programs and certain certifications that meet the reimbursement benefit's eligibility criteria.

Learning Fund: professional development reimbursement

If you're interested in growing your technical or professional skills, Adobe's [Learning Fund](#) [2] will reimburse you up to \$1,000 per year for short-term learning opportunities and skill development such as conferences and workshops, professional and technical training courses, online learning and professional memberships.

College Coach

Through Bright Horizons, get insider advice from former college admission and financial aid officers to help smooth the college application process. Plus, learn strategies for writing the killer college essay, saving for college and education loan repayment. You can also access web-based workshops, expert 1:1 counseling and additional web-based assistance to ensure your children (and you!) reach your academic goals.

Register and access more detailed information at [Bright Horizons](#) [3]. Visit Bright Horizons and register

for College Coach® using Corporate Passcode: adobecoach for the initial registration to access these benefits. You may also call 888-527-3550 or email adobe@getintocollege.com [4].

529 Education Savings Plan

As your children focus on their education, we'll help you save for it! You can set aside money for qualified K-12 or college education costs and let it grow tax-free. Vanguard's [529 Selection Tool](#) [5] will provide personalized guidance on selecting the best 529 plan for you, based on where you live and your investment preferences. This tool will inform you about the Vanguard 529 plan and other plans in your state that may be better for you due to tax benefits. So, you have nothing to lose and a lot to gain by checking it out! Learn more about saving for the future through the [Financial Wellness platform](#) [6].
